Read on to see details on how you can use DigiPals to develop students' Digital Citizenship in relation to the [American Council of the Teaching of Foreign Languages \(ACTFL\)](#).

DIGITAL COMMUNICATION: Students gain empathy through interacting with people from diverse backgrounds. Students understand what is appropriate to share and which technology medium is best when sharing certain types of information.

American Council of the Teaching of Foreign Languages (ACTFL)

1.1 Interpersonal Communication

Learners interact and negotiate meaning in spoken, signed, or written conversations to share information, reactions, feelings, and opinions.

1.2 Interpretive Communication

Learners understand, interpret, and analyze what is heard, read, or viewed on a variety of topics.

5.1 School and Global Communities

Learners use the language both within and beyond the classroom to interact and collaborate in their community and the globalized world.
